Chicago Community Chorus  
Virtual Songs of the Season Concert*

During this unprecedented time the Chicago Community Chorus (CCC) continues its mission to spread the message of joy and love through music. Using virtual technology, we have prepared a wonderful free online concert of beautiful holiday music. If there was ever a time that we needed our spirits lifted, this is it!

Our donors are individuals and businesses who recognize the intrinsic value of music to the world. They appreciate the musical variety heard in our concerts and they share our passion for diversity not only in music, but also in the world in which we live. We invite you to become a donor for our December 12, 2020 Virtual Songs of the Season concert and to have your name (or your business name) announced during the concert by Dr. Hampton, our Founder and Artistic Director, or to have it listed in the credits.

To provide a way to rehearse and perform new music throughout the COVID-19 pandemic, CCC has incurred substantial expenses. Your donation will help us to offset these costs:

\$2000	Purchase of a new computer system to handle the video and audio editing required for Virtual Performance
\$1500	Software and training for video and audio recording
\$150	Subscription to Zoom for virtual meetings/rehearsals
\$2200	Purchase of audio interfaces, microphones, and headphones for Music Staff
\$400	Subscription to a web-based platform (My Choral Coach), that enables singers to learn their music.

Below are suggested donation levels. However, your contribution in any amount is appreciated.
